

1. Log into your Zoom account <https://cornell.zoom.us/> and click **My Recordings**.

2. Click the meeting topic for the session that you want to play, then click the thumbnail of the video.

3. A new browser tab opens, showing the recording playback and the available controls.
4. Click **Set Playback Range**.

5. Use the sliders to specify the start time and the end time for the recording, then click **Save**.
