Career Development Office

Welcome! Our team is excited to have you on campus and we look forward to meeting you if we haven't already. Hopefully, your semester is off to a great start.

About Us: Our office is here to counsel students when defining their career path, educate students on diverse legal career options, collaborate with student groups to present relevant programming, provide helpful resources, and connect with legal employers and alumni.

Our Staff: [Check out our website](#) to see a full list of team members and learn about our roles. You can also stop by our offices at 128 Hughes Hall to say hello in person.

The Newsletter: We will publish this newsletter weekly while classes are in session and use it to share vital information, job opportunities, resources, and upcoming events. Archived issues of the newsletter can be found on the website [here](#).

1Ls:

Please be advised that we are holding a special program for 1L students on [Thursday, September 22nd from 4:30-5:30pm in Room 184 - Landis Auditorium - Myron Taylor Hall](#). Through the program, we will address general questions about our office and the various employment opportunities available throughout your time in law school and thereafter. We look forward to introducing ourselves and hope to see you all there!

Aside from this introductory program, we want you to settle into your first semester of classes without any unnecessary distractions, including thoughts about your short and long-term career goals. Thus, under an approach to first-year counseling typical of all law schools, we do not provide one-on-one career counseling services to first-year students at the beginning of the fall semester.

Counseling appointments will become available beginning on **Monday, October 17, 2022**. Similarly, employers and first-year law students are asked to not initiate contact with each other for job application and related purposes prior to **Thursday, December 1, 2022**. You can review recruiting policies [here](#).

2Ls:

Our team enjoyed working with many of you this summer through pre-OCI and the August Job Fair.

We realize the recruitment process can be challenging to navigate. Please do not hesitate to reach out to our team with any questions or concerns you may have at this time. We want to support each of you and assist if you do not have confirmed plans.

If you are interested in clerkships, be sure to check for an email this week from Director Rizzi with a link to sign up for a personalized clerkship mentor!

3Ls:

We are hoping to collect more information about your summer experience so that we can best support each of you and assist if you do not have confirmed plans at this time. We have provided a survey in Symplicity and ask that you fill it out by **Friday, September 23rd**. All responses will be kept confidential and are for internal reporting purposes only.

The survey can be found on your homepage in [Symplicity](#), titled 'Summer Employment Survey (Full) 2022', or by clicking the Survey link on the left navigation. Please feel free to reach out to our office with questions or concerns.
